

Wilson Educational Group

Looking for quality Real Estate Sales Continuing Education or Post Licensing Education?

While WEG seldom actually conducts a Sales continuing education class, we do develop and teach a significant number of 3 hour programs for Boards and Associations around Kentucky. If you are looking for CE, consider the following and look for the [education calendar](#), along with other useful information:

- The Lexington Bluegrass Association of Realtors: www.lbar.com/education
- The Greater Louisville Association of Realtors: www.louisvillerealtors.com/members/education/

Most other associations periodically provide CE and C. W. Wilson or Misty Gammon, his daughter, may be teaching at those locations as well.

On line education is available from a number of sources, including the two Associations identified above.
